Mr. Coffey:

Subject: NIS Attendance

The attached memorandum will alert Colonel White to the fact that DD/P has not, as yet, nominated a candidate.

Paragraph four is designed to anticipate Colonel White's inquiry regarding the status of our review of the NIS. I have alerted Don [ ] regarding this paragraph. Don has discussed with both the D/TR and DD/TR that we have gone past our initial target date for submitting this review. Exec Dir-Compt first raised the matter of this review in December [ ]

However, chiefly because of length, we have asked the Office of Training to rework their paper. I have established a deadline of 23 October for submitting this review to your Office.

Mr. Coffey:

Subject : NIS Attendance

Just for information - no action required:

We now have, in addition to the two Support Directorate officers, three other candidates. Two are from the DD/I and one from DDS&T. Still no DD/P candidate. This means we'll have at least five of the eight quota.
